## Why Phuket (Pooh-Get)?

**Phuket** is the biggest island in Thailand, located in the Andaman Sea off southern Thailand. It means mountain in local dialect. Phuket is famously known as "The Pearl of Andaman Sea" because of its stunning sandy beaches, and picture-perfect landscape along the western coast of the island. As Phuket Island is known as the pearl of Andaman Sea, Phuket Thai Restaurant is inspired to be the pearl of Huntsville, with excellent food and service.
